07.07.2025

Dear System Users,

Considering the provisions of Cap. V, points 262-296 of the Gas Network Code approved by ANRE Decision No. 420 on November 22, 2019/ art. 26-30 of the *Commission Regulation (EU) 2017/459 of 16 March 2017 establishing a network code on capacity allocation mechanisms in gas transmission system and repealing Regulation (EU) 984/2013*, **Vestmoldtransgaz LLC launches**, as of 07.07.2025, **a non-binding market demand assessment process for incremental capacity, beginning with the gas year 2025-2026.**

Not later than 8 weeks after the completion of the annual auction for annual firm capacity products but no later than **1 September 2025**, Network Users are invited to submit their non-binding market demand for incremental capacity by filling in the survey prepared by ENTSOG available [here](#) in editable Excel format.

The detailed recommendations for filling in and submitting requests by System Users are included in the *Template for filling in non-binding demands for incremental capacity* ([here](#)) (drafted by ENTSOG).

Please fill in the survey and submit it together with your questions, if any, to: comercial@vmtg.md.

Within 8 weeks after the completion of the market demand survey but no later than **27 October 2025** Vestmoldtransgaz LLC in cooperation with neighbouring TSOs will publish the results of the incremental capacity demand assessment process within the **Market demand assessment report**.

Yours sincerely,

„Vestmoldtransgaz” LLC
